A lovely little holiday for nature lovers and active connoisseurs. Explore the surroundings of Alcudia and Can Picafort on foot and by bike. The north of Mallorca is characterized by small villages, a rural atmosphere and gentle landscapes. Small bays and beautiful sandy beaches invite you to take a break for a swim. The nature parks of Sa Albufereta and S'Albufera are paradises for birds and people alike, albeit from different perspectives. Experience a completely different perspective on being during a meditation workshop on a finca.

You will spend the first few days in the medieval old town of Alcudia. Afterwards, Can Picafort, picturesquely situated by the sea, is your starting point for daily activities.

Day 2

Bike tour: Alcudia/Puerto Alcudia

The best way to get to know an unknown place is to explore it at your own pace. So today you cycle through the **small town of Alcudia** - founded by **the Romans, then Moorish**, later home to wealthy merchants and noble families - and its surroundings. You will discover the various neighbourhoods, the picturesque harbour and the Alcanada district in a relaxed and unhurried manner. Along the way, you will stop time and again to admire beautiful corners, stroll along the well-preserved medieval city walls or treat yourself to a delicious coffee. In **Alcanada**, you can enjoy a **Mallorcan picnic** by the sea. You will be back at the hotel around 4.00 pm.

From the hotel you hike to **Sa Albufereta**. The path first leads to the beautiful beach of Sa Marina and from there to Sa Albufereta. On the way back you have **lunch in a cozy restaurant**.

Day 4

Meditation and inner peace on a finca

You start your excursion today on foot. The path leads along one of the **most beautiful coasts** of Alcudia. You pass picturesque harbors and small white sandy beaches with crystal clear water. The destination is a finca, beautifully situated in the countryside, a place of peace and relaxation. Traveling without a motor also means reducing the speed. At the **finca** you can take part in a workshop that encourages silence. During meditation in a natural environment you will experience a moment of great spirituality. "Meditation allows us to connect with our essence and our nature," explains Masio. After lunch in the open air, **you walk to a beautiful beach with white sand**. A paradise, made for a long swim break - **enjoy the crystal clear water!** Then you make your way back to the hotel.

The next highlight awaits you on the way: the **S'Albufera Nature Park** - this park is also a bird paradise with more than 200 species, and one of the most important ecosystems in the Balearic Islands. After arrival and check-in, there is time for a **refreshing swim in the sea**.

The necropolis of the same name, located near the sea, and other prehistoric rock tombs tell of the burial rites of the Talayot culture. A varied day of hiking with many discoveries and a Mallorcan picnic in a beautiful spot.

Around 1300 (AD) the town was granted city rights, rich citizens and nobles lived in Muro and built stately homes. Thanks to the fertile surroundings, Muro is still prosperous today. After a stroll through the alleys, you will eat delicious tapas, then cycle (on a different route) back to Can Picafort.

The accommodations

"Turismo interior" is the term used to describe small hotels with a great atmosphere, often housed in old buildings steeped in history. The **Alcudia Petit***** and the two associated houses Can Vent*** and Can Simo*** in the picturesque old town of Alcudia enchant with their unique fusion of different ambiances (Alcudia Petit and Can Vent modern, Can Simo rustic) - not to mention the location, which allows a stroll through the historic alleyways or a drink in the café around the corner at any time. The stylish, 16m² double rooms with city view are furnished in a modern style (bathroom with WC/bathtub or shower and hairdryer, air conditioning, heating, soundproofing, wooden/parquet flooring, wardrobe, telephone, satellite TV/flat screen, mini-bar/gig. fee and free WiFi).

Mediterranean living in pure style. The **charming boutique hotel Laut****** in Can Picafort, close to the small marina and just a few minutes' walk from the beaches of Son Baulo and Son Real, can only be admired. The Skylounge is perfect for a cocktail with panoramic views of the sea and the mountains opposite - especially at sunset. The stylish fish restaurant "Marisco" promises great gastronomic moments and the modern boutique-style double/twin rooms are approx. 26 m² in size and have a bathroom with WC/bathtub or shower and hairdryer, air conditioning, heating, soundproofing, wooden/parquet flooring, wardrobe, satellite TV/flat screen, safe and minibar/bar.
